

**2018 Commitment Sunday Pledge Card**  
**First Lutheran Church, Galesburg**

Stewardship is about tending what God has entrusted to us, and giving back of our time, talents and treasures in grateful response to God’s blessings. Please prayerfully consider your intended gifts to the glory of God through the ministries of First Lutheran Church. We ask that you would fill out this pledge of financial support form and bring it with you to worship next Sunday, October 22, to be blessed with the other pledges during worship. You may also return it to the church office. Your pledge is confidential. By pledging, (even a rough estimate) you help our congregation’s leadership plan ministry for the upcoming year. Thank you for your support of the ministries of First Lutheran Church.
